RE: Request to advise all Club Secretaries

Bowling League Secretary

Dear Bowling League Secretary,

SUBJECT: BOWLING COMMITTEE DECISION

On Monday 18th June 2012 the Bowling Committee of the Metros Sports & Social Club agreed that due to a recent incident, with immediate effect, players and supporters are no longer able to bring dogs to the Bowling Green area when games or competitions are being played.

It is with regret that the Bowling Committee have come to this decision, as we have in the past allowed people to bring dogs, however, due to a recent incident involving two dogs and subsequent injury to one of the bowlers we have unfortunately had to make this decision and why we are asking that this letter be forwarded on to all club secretaries within the league to ensure that this Ruling can be brought to the attention of their bowling members and supporters as soon as possible.

Yours sincerely,

Alan C Lord
Club Bowling Secretary
Metro's Sports & Social Club
